My boys love this book, but I wish it had the names of the characters in the answer key.

Great product and it was nice to find something yokai since my son loves the show so much

Son was very happy with this book

My grandson loves things Yo Kai.

Thought this book would be of great interest to two of my children who really love Yo-Kai, but after receiving it I would definitely NOT recommend this Seek & Find. Great children's seek & find books often show a picture of the item you are supposed to be searching for in the scene. This book just lists the names of the items. So it makes it extremely hard for children that cannot read yet to use this book on their own.
