My 15 year old is obsessed with graphic novels. This bible was perfect because it was in a style he likes so he was willing to read it and he'll sit in bed at night reading too. It may be somewhat on the young side but hey- he WANTS to read his Bible? Sold. I'm not going to squabble over translation preference. Get 'em into the Word and the Word will get into them!

Just what she wanted. Thanks.

My son who loves to read anything had a hard time wanting to read his adventure bible. He really loves comic books so I got him this and he has read it several times over, and likes to quiz me on things he knows way better than me like all the different kings.

Great compliment to the Action Bible. My 12 year old enjoys it.

Thank you

I've always had a hard time finding a devotional book that grabbed my son's attention, but this one certainly did. He already owned The Action Bible and loved it, so I knew this wouldn't let us down. He's excited to do his devotions now.

great price!
