Customer Reviews

I buy this calendar every year and review it. A gift for my daughter who has coffee decor in her kitchen. Pictures actually painted with coffee. Has large squares for writing all your appointments, etc. Made of strong paper & comes in a nice gift envelope.

Great calendar, looks excellent on the wall and I love the paper and paper weight they printed on. I hope I can find an updated one from the same company next year.

Great seller love this item

I love DiPaolo's coffee calendar...this is the fifth year I've chosen it for my wall calendar display frame. It complements my kitchen colors perfectly, isn't cheesy looking, and has decent-size day squares for keeping track of appointments.

Beautiful calendars, great art work and use of colours, bought two for Xmas gifts, less than 6 months away guys !!!

Sturdy paper...I love the monthly "java" style artwork...;)

Love the artwork and buy this calendar each year.

We buy this calendar by Dan DiPaolo every single year for our kitchen and love it every single year. Art style is just fantastic - simple, whimsical, cool... Perfect for the kitchen!!!
