Customer Reviews

This book is not very thorough. Most of what was detailed on dreams I already knew.

Oh, super love this book. I always have dreams and most of my dreams do happen. And with the help of this book I can now understand what are the meanings of my dreams. I am also sure that anyone can relate with this book, I highly recommend this book for everyone to read.

great

Trying to understand the difference in dreams.

Ever have this awesome dream that you start to forget as soon as you wake up? Well if you read this book you will know exactly what that dream meant and what you should do about it! Highly recommend this book!

wasnt what i thought it was,but i think I can get something out of it

I have learned a lot from this book. We all dream everyday. And this book tells us about the different stages and more.

Not like a dictionary, get a bigger one
