Ionis Thompson: Ionis Thompson, a long-term resident of Saudi Arabia, spent a considerable amount of time exploring the desert around Riyadh and beyond. A key figure in regional desert exploration, she charted her discoveries and led countless expeditions substantially expanding the small pool of practical knowledge that existed up until publication of the first edition of this travel classic. Today she is retired and lives in the UK, but maintains a close interest in the Middle East. She is the secretary of the Society of Arabian Studies.
