good text book

This book is such a wonderful assist to anyone that is an artist, whether you are a beginner or professional!

Thanks for the book! am already finding this useful.

everything worked out fine

Accurate description

This was a necessary purchase for a student in my class; his home campus required him to complete reports on specific chapters in the book. I would not have purchased it otherwise.

I bought this item for my daughter, her school bookstore was out of it. It came in a timely manner and at a good price.
