## Aveoth (VLG Book 7)

## **Synopsis**

Jillian Milzner has lived a life on the run. Her biological sperm donor has made it clear he wishes she'd never been born. Most kids get presents from their dads growing up. He sent thugs to make death threats to ensure she never tries to find him. He needn't have bothered, since she wants nothing to do with Decon Filmore. His father, however, thinks Jill might be useful. Things go from bad to worse when her grandfather's goons snatch her up to deliver her to a man both terrifying and straight out of her sexiest daydreams. Lord Aveoth isn't surprised to hear from Decker Filmore. The man is desperate to make the GarLycan lord call off the hunt for his life, and equally determined to reclaim his VampLycan clan. To achieve both goals, he'll offer Aveoth yet another half-human granddaughter from his bloodline. It's lonely being a lord of a clan, so Aveoth agrees to the meeting—and he's instantly attracted to Jill. He's also angry to learn she's been brought to him against her will, but he still wants to keep her. Even if it exposes his darkest secret—which could tear his clan apart.

## Customer Reviews

Aveoth was given 4 stars because he was such a Garlycan with a hidden huge heart. A peace keeper and protector for all of the clans.... and so lonely. I absolutely loved Jill.... what a funny and mouthy beotch.. Åf Å Å Æœ Å•M's. Dohner has continued this series with a flourish. When I began reading this new series of hers.. I really didn't care for it.. ( because it wasn't NEW SPECIES Åf Å Å Æœ Å•) I bought the first 2 books. Wasn't sure I was gonna make it to the end of the first book... well, I did. And then the second ... and now I just finished LORD AVEOTH. Loved them! Recommended reading... Åf Å Å Æœ Å

Wonderful! Wonderful! I loved this book. I won't give spoilers, but this book is great. You begin thinking this is just another kidnapping story where the defenseless maiden is rescued. It is not. However, you must read this series from the beginning to truly understand what happens later in the book. SECRETS are revealed. Someone finally gets what they deserve. If you like a good paranormal romance complete with a little spilling of blood and a sexy hero, this is the series and story for you.

Amazing. I love this series. I have to say that Velder is too much lol smh Aveoth was sexy smart sweet. Everything you want a male lead to be. Sooooo worth the read! I already pre-ordered Creed! Thanks LD!! Very happy reader here :-)

I love everything Laurann Dohner writes, and Aveoth is one of the best VLG books she has written. Aveoth is such a sexy, strong, intriguing leader of his people, and his mate, although human, is perfect for him. Very Good Read !

This is one that you won't want to put down. Love the characters and storyline. This one has lots of action and a few twist that will surprise you. LD has out done herself with another great VLG addition. Must read!

I'm a fan of Laurann Dohner's books. This was my favorite book of her VLG series so far. I liked both the H/h; their interactions with each other were great. Humorous, respectful, and loving. This is on my "re-read" list.

I've been waiting for Aveoth's book since book 1 and this did not disappoint! Love him and Jill and adore their story. And the Velder twist made it even better. Can't wait until the next one!

What can I say? It's a really good story. I loved all the "good guys" (and gals!) and loathed the bad. I'm a huge fan of this author because she keeps the story intriguing while creating strong, believable characters. Love it!
