# The American Heritage Desk Dictionary And Thesaurus

## Synopsis

Combining a dictionary and a thesaurus in a single volume, this book offers readers a convenient way to examine dictionary entries and research corresponding synonyms at the same time. The split-page design displays full dictionary entries on the upper portion of each page and full thesaurus entries on the bottom portion, which makes finding and understanding the right word easier than ever. The thesaurus section of the page is screened to highlight the dual nature of the book, providing quick access to the synonyms that relate to the dictionary entries above. The dictionary contains 70,000 entries, and the thesaurus contains 150,000 synonyms that are alphabetically arranged on each page to correlate with the dictionary entries on the same page. With its unique format and user-friendly features, The American Heritage® Desk Dictionary and Thesaurus is a convenient and invaluable resource on words.

The Editors of the American Heritage Dictionaries are a team of professional lexicographers with advanced degrees in various scholarly fields. The editors familiarize themselves with the vocabulary in specific subject areas, collect materials on new developments and usage, and work with expert consultants to ensure that the content of our publications is as accurate and as up-to-date as possible.

Great easy to use reference that utilizes a split-page design displays full dictionary entries on the upper portion of each page and full thesaurus entries on the bottom part. The only downside is that

this is not portable.

My old 1971 Funk & Wagnalls practically required a fork lift to get off the shelf. Do I need to know that many words? This one has not been tried out but it can be lifted easily. I do need to drag out a magnifying glass or reading glasses to see the small print or it would probably get that coveted 5th star!. I am 74 so the print may not seem that small to everyone. Not fond of the dictionary apps on the Kindle - a book is much easier to search through.

I got this as a gift for my wife, she's a word lover. Plays Scrabble so well that I hardly bother trying to compete. So every 5-10 years she needs a new dictionary, this combo was a great gift! Or so I thought. This dictionary omits a growing list of words that she uses. So now I'm on the hunt for a bigger and better dictionary.

Good one. Better than the paperbacks. ie: bigger font size.

Thank you

Bought this for my son as it was required for school. I didn't want to pay the prices they would charge at the bookstore and was able to get this much cheaper on . So pleased with the fact that I saved some money on this one. It is a good resource for my son's homework. I have seen him use it quite often. Thanks

As expected.

This combination dictionary and thesaurus from American Heritage is a good resource to keep by the desk. The top of each page holds concise definitions while the shaded area at the bottom functions as a thesaurus. This makes it easy to quickly look up the meaning of a word, its spelling, and synonyms all on the same page.
