Customer Reviews

This is a very interesting and picturesque book showing pictures and text to highlight and introduce all of us to what is happening in Reno. The focus is primarily downtown Reno and highlights the festivals and special events that happen there throughout the year. I found the photographs particularly engaging, each one telling its own story. There are a lot of things happening in and about Reno that I was not aware of. This book provides 74 pages of colorful pictures and insight. A virtual road map to the many special events and restaurants through stunning photographs and descriptive text. This is a good reference for anyone who wants to see and do anything in Reno during the course of the year.

This is a delightful book that introduces Reno across an entire year of activities and special events. The pictures are fantastic and really show what Reno looks like from the eyes of an experienced photographer. This is my favorite photographer and her book is a must buy for anyone looking for the quintessential Reno experience. I love the pictures and the feel for Reno that she has displayed. Buy this book, you won't be disappointed.
