Synopsis

HONOR BOUND Escaped convict Lucas Greywolf will do whatever it takes to get back to his reservation home, honor bound to pay last respects to his dying grandfather — even if that means taking Aislinn Andrews hostage. Aislinn is alternately intrigued and infuriated by this misunderstood man who —s made no secret of his desire for her — or of his contempt for her kind, the Anglos who betrayed his community. Yet among his people, Aislinn sees another side to Lucas. Once her captor, he is now the man she desires — the man she —s beginning to love.

— TWO ALONE When a plane crash strands her in the remote reaches of the north, confident businesswoman Rusty Carlson is hurt and alone with a man she fears. But she will surely die without the help of Vietnam vet Cooper Landry. Cooper has a deep-rooted grudge against beautiful women like Rusty, but he —ll be damned if he —ll let her risk his chance for survival. There are predators in the dense woods and the odds are against the pair. But what Rusty and Cooper are even less prepared for is the discovery that they desire more than just survival.

"No one understands sexual fantasy better than Sandra Brown.... Ms. Brown inventively blends a variety of fantasies into the fabric of her very real romance." --RT Book Reviews --This text refers to the Mass Market Paperback edition.

Sandra Brown is the author of fifty-seven New York Times bestsellers, including *SMOKE SCREEN* (Simon & Schuster 2008). Brown began her writing career in 1981 and since then has published over seventy novels, most of which remain in print. As of 1990, when *Mirror Image* made *The New York Times* bestseller list, each subsequent novel, including reprints of earlier books, have become *Times* bestsellers. Sandra and her husband Michael Brown live in Arlington, Tx. --This text refers to the Mass Market Paperback edition.

Book arrived on time as promised and was in good condition. Love the two-in-one books. Sandra Brown always has some suspense in her writings.

Lovely stories of romance written with masterful pacing, beautiful description, poignancy and delicious love scenes. Sandra Brown is a True Master Storyteller who speaks to the heart with a thrill.

These are two of Sandra Brown's early & best romance novels. I read both years ago separately & am happy to see them together in one volume. They are very hard to find separately. Both novels are prime examples of why Brown has remained a top romance & non fiction writer for decades. I recommend ALL her books.

Sandra Brown is one of my favorite authors. She writes books that keep you into the story and on your toes for the surprises in the characters' lives. You might think you know how the story is going to end, but it quite often comes out different than you might imagine. Both of these stories get your attention from the beginning and all the way to the end. Great stories by a great author!!

The last time I read this title was in the 90's, was looking for it for my book collection of Sandra Brown contemporary romance books & it's out of print..but I FOUND it at last, through [Amazon.com](#) for the prompt service

Two good stories from Sandra Brown. I really loved *Two alone*. Ms. Brown always has good twist in her books.

I became a fan of Sandra Brown books when I was in high school. I was so excited when *Honor Bound* was re-released. I started reading as soon as I opened the package.

Both of these stories had very interesting content and made you want to keep on reading. Some sexual content but it was not the main focus of the book.
