"Best of the Best from Louisiana has a winning concept, a beautiful design and such successful recipes." --Joe Arrigo, New Orleans author, artist, book distributor

This book was ok.....being from south Louisiana this book just didn't seem to have the recipes I grew up on.

Excellent book! Recipes in many cases are unusual and exceptionally tasty. Friends had this book

and had made one of the Cheesecakes. I could have eaten the whole thing. I was happy to share and the hostess was generous enough to give me the name of the book

This book comes with 382 pages loaded with information. On some pages there are short stories telling about a recipe, a person or similar. Makes the book nice to read. Content: Preface Contributing cookbooks Beverages & Appetizers Bread and Breakfast Soups Salads Vegetables Pasta & Rice, etc Meats Poultry Seafood Cakes Cookies & Candies Pies & Desserts The recipes are easy to make and clearly structured. The invite to more and to make your own deviation. It really like this series of books. It brings local food from all over the Country home.

I have hundreds of cookbooks but this is my all time favorite. Bananas foster bread pudding, carrot beignets, sweet potato biscuits and Natchitoches meat pies. You could get by for the rest of your life with this one book.

I enjoyed reading his one - it has some recipes I am tempted to try when company comes over.. And I always enjoy the author's comments about the state.

Another good one from Gwen McKee - she never misses the mark in her recipes. A must-have to add to any serious cook's Louisiana cookbook collection!

Bought this cookbook for myself a year or so ago. Every recipe has been well received in my house. Loved it so much gave for Christmas gifts to teachers!

I loved both of these books. The History alone makes them worth the buy.
