Perfect for younger boys. My son loves it.

Great book! My son loved it!

My son enjoyed it, and we've read it twice so far. I didn't love it, but it's a fine intro to DC superheroes and heroines! Yay for the girls! Mostly, it seems very much like an advertisement for Lego, though.

Great for beginners using for a kindergartner who is working on fluency and loves Lego characters

and superheroes. Looking forward to using more

We really enjoyed reading this book. My son and read it twice and liked the quiz at the end of the book.

Cute book for my son.

Grandson enjoys the short story.

It did not meet my expectations.
