Customer Reviews

I am not just a Steeler fan, I am born and bred in Somerset County, PA. It's in our blood and part of who we are. My kids love to watch Steeler football just as much as I do which is nice since they are half Hoosiers. When I ordered this book, I thought it would be like a child's primer on the game of football. A basics of the game as it were. It is much more of a baby word book. It has a great cross section of images of Steelerhood, and simple labels. It wasn't what I expected, but it is still a fun little book to read to your burgeoning rabid fan.

Bought it for a 2 year old and she loved the pictures and her father thought it was a great kids book. This would be a perfect wedding gift for some new brides that don't know much about football or The Steelers.

Awesome Steeler First Book. A must have for a fan.

Cute, and gets the youngest Steelers fan headed in the right direction. Great gift for a baby shower. good baby gift.

Great book! The pictures are clear and the layout is very nicely done.

This book isn't a rehash of other books in print. It has some great facts and has images that will appeal to even the youngest football fans.

Very cute book. Recommend for any new steelers fan.
