"With a pop-up Arc de Triomphe, Centre Pompidou, Eiffel Tower, Moulin Rouge and even a macaron tower and a Gargoyle from Notre Dame, this is the perfect book to get young travellers excited about travelling to Paris and will be a hit for years, even once the souvenirs of a trip are long faded." (Eat Live Travel Write)

Wonderful book for kids. The pop ups are great and well constructed and will last if cared for properly. The drawings are quite nice. Overall, a great book for children!!!

Agree with other reviewers, too short - and too little content or monuments. But so few books on Paris for my just turned 4 year old.

Not as detailed as I would have liked, but a good book anyway.

What a cute book!! Happy with this purchase. The kids love it. It was smaller than expected.

My daughter loves her new Paris book, it's bright and vibrant and she loves it! Thank you!
