Forget work and family • think papers hurled across the room and industrial-sized blobs of correction fluid. I love it! • The Times of London • Sudokus are to the first decade of the 21st century what Rubik's Cube was to the 1970s. • The Daily Telegraph • Britain has a new addiction. These are a little hard for medium sudoku puzzles. And I'm used to working them everyday! I don't like easy ones because they are boring, but these are way harder, what I would call medium-hard level. I usually go to the answers in the back and fill in 2-4 extra numbers to give me a boost!

His medium Sudoku puzzles are always what he says they are -MEDIUM That doesn't mean they are easy! His difficult puzzles which I attempt sometimes are really hard. I can always count on his puzzle books.

nice assortment.

I started doing sudoku puzzles in 2005 and even though they have lost some of their popularity, I still enjoy them. This book of puzzles is not too easy and not too hard. All of them are what I would call medium difficulty. All can be solved without guessing. I keep this book of puzzles on my bed and I work a couple before I go to sleep. It relaxes me so much that by the time I have finished the second puzzle, my eyes are barely open.

Way too easy. Reviews that say puzzles are too hard must not be true Sudoku players!! feel like I wasted my money.

Well designed and lots of fun. Puzzles and answer keys are all decently sized and easy to read.

I just love Will Shortz's Sudoku puzzles. Never disappointed.

Way too difficult, even for the "Fearsomely Frightful" description. And I am an experienced sudoku'er. :)
