I use this for relaxing and killing time at work. My co-workers think this book is hilarious and it is. It's helped us all pass the time! Great pics, easy to color, good quality. This is my favorite coloring book to use when people at work get on my nerves, lol.

I have enjoyed coloring in this. I wish some of the pictures didn't have such small details because I am coloring with markers. But the postcard pictures in this is why I bought it. If you like to color and swear than this is a definite must buy.

This is a great pick me up gift! The quality is great, and the pictures are pretty hysterical. I love this one because there is definitely added humor with the more childlike picture. Just bought two more!

My niece loved it!

Sometimes you just have to color cute animals instead of saying what you really want to say. This book is full of funny cute drawings with swear words. So you can smile to yourself while really repeating that word as a mantra to whomever really deserved it that day. He really was a Fu\$ker aw that's such a cute bunny!

Just a couple of words I wouldn't use but overall hilarious!!! Not for easily offended sensibilities!!!!

Very well received.

exactly what it says it is
