Shostakovich's Music For Piano Solo: Interpretation And Performance (Russian Music Studies)

Synopsis

The piano works of Dmitri Shostakovich (1906–1975) are among the most treasured musical compositions of the 20th century. In this volume, pianist and Russian music scholar Sofia Moshevich provides detailed interpretive analyses of the ten major piano solo works by Shostakovich, carefully noting important stylistic details and specific ways to overcome the numerous musical and technical challenges presented by the music. Each piece is introduced with a brief historic and structural description, followed by an examination of such interpretive aspects as tempo, phrasing, dynamics, voice balance, pedaling, and fingering. This book will be an invaluable resource for students, pedagogues, and performers of Shostakovich's piano solos.

Book Information

Series: Russian Music Studies

Hardcover: 248 pages

Publisher: Indiana University Press (May 28, 2015)

Language: English

ISBN-10: 0253014220

Customer Reviews

"This excellent, comprehensive study of Shostakovich's piano music is a gift to performers and teachers.... Highly recommended." —Choice
"Moshevich's book is a much needed comprehensive study as well as a guide to learning how to perform Shostakovich's solo piano music.... With curious details, such as Shostakovich being a devoted soccer fan..., Moshevich enlivens the otherwise specialized focus of her book, and turns it into a must-have for every music school library." —Music Reference Services Qtrly
"A valuable addition to the literature on Shostakovich. Moshevich provides a broad analysis of Shostakovich's piano solos, descriptions of the unique characters, imaginative images to guide pianists, and practical suggestions to bring

out the salient features." â •Read Gainsford, Florida State University

Sofia Moshevich is an independent scholar, pianist, and teacher in Toronto, Canada. She is author of Dmitri Shostakovich, Pianist.
