Facing Your Giants: God Still Does The Impossible

Synopsis

You know your Goliath. You recognize his walk, the thunder of his voice. He taunts you with bills you can't pay, people you can't please, habits you can't break, failures you can't forget, and a future you can't face. But just like David, you can face your giant, even if you aren't the strongest, the smartest, the best equipped, of the holiest. David. You could read his story and wonder what God saw in him. His life has little to offer the unstained, straight-A saint. He fell as often as he stood, stumbled as often as he conquered. But for those who know the sound of Goliath, David gives this reminder: Focus on giants -- you stumble; focus on God -- your giants tumble. If you're ready to face your giants, let his story inspire you. The same God who helped him will help you.

Customer Reviews

Megastar Lucado, with 40 million books in print, will draw more readers to his fold with this newest release, which focuses on the life of the Old Testament hero David. David crashed onto the scene in ancient Israel when he used a slingshot and one stone to fell the giant Goliath. He went on to become Israel's greatest king. Now Lucado has modern readers slaying their own giants using principles gleaned from David's life. For example, David focused on God, not giants; David's life was threatened by his nemesis King Saul, but David worshiped God; David stole the beautiful Bathsheba from her husband and then had him killed, but God forgave. Lucado goes beyond the storytelling to offer readers concrete actions to help slay their giants using the metaphor of the five stones David chose in his Goliath quest. The stones represent the past, prayer, priority, passion and persistence. Lucado's lively language ("Focus on giants... you stumble. Focus on

Godâ€”your giants tumble.") and casual style appeal to the most reluctant readers, yet his spiritual depth will challenge and amaze. Added value comes with the study guide keyed to each chapter. Lucado has a giant winner here. (Nov. 21) Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. --This text refers to the Audio CD edition.

With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

Love, love, love Mr. Lucado!

Phenomenal! A life changer!

Max is great writer, he takes a well known bible story and puts it into everyday advice .

what a great book....as all of Max books great to read ...lots of helpful food for thought to use where and when you need....you just can't help taking something from this book as any of his books....I have many of his books and have given a few away to peoplethanks...they'er great.....

Another amazing book from Max. I own the hard copy but put it on my Kindle. This is a great book for a Bible study with the study guide in the back for each chapter. Highly recommend it.

The book follows the life of David with each chapter focusing on a particular theme. The piece is well-written and easy to read. There'll be something for just about anyone to grasp a hold of, especially those who are facing major life challenges and difficulties. I would recommend this book to just about anyone however, I think it would be a great gift for a young adult or person currently going through a transitional period in life. Definitely goes on my favorites list.

MAX IS A WONDERFUL WRITER, HE CAN GET YOU LAUGHING AND THEN KICK YOUR TEETH OUT SPIRITUALLY, HE HITS YOU WHERE YOU NEED IT, JUST WHEN YOU THINK YOU HAVE GOD ALL FIGURED OUT, HE PROVES YOU WRONG. KING DAVID IS THE TOPIC AND HIS LIFE CAN SO PARALLAL OURS THAT IT IS A WONDERFUL INDIVIDUAL OR GROUP STUDY, AGAIN OUR LADIES BIBLE STUDY DID THIS TOGETHER AND THE DISCUSSIONS

WERE VERY GOOD.

I love this book! It has a study guide as well. I have enjoyed reading this book with my small study group. Max Lucado's perspective on this familiar bible story has been helpful as I learn to apply these principles to my everyday life.
