Wesley And Sanctification: A Study In The Doctrine Of Salvation

Synopsis

Harald Lindstrom's classic study of John Wesley's doctrine of sanctification remains the most accurate and comprehensive description we have of the theology of the founder of Methodism. Its accuracy stems from the fact that Lindstrom relied principally on Wesley's sermons to define his understanding of scriptural Christianity. Its comprehensiveness reflects the fact that John Wesley saw, and spent his lifetime explaining, that the promise of salvation was the central theme of biblical theology and that the experience of sanctifying grace was the essence of salvation.

Harald Lindstrom has given a solid presentation of John Wesley's thought about Sanctification. It is ieasy to go astry when thinking about sanctification or Christian Perfection but he has held us to Wesley's thought. If one wants to know about real Christian living and Wesley's thought, this is a great book to read.J. Robert Ewbank, author of "John Wesley, Natural Man, and the 'Isms'"

This is a very thorough analysis of what John Wesley taught about Sanctification, including his ideas of sin and salvation. It's not the easiest read but a good academic work.
