Customer Reviews

A book that will teach you in creating and mixing your own shampoo and conditioner at home. I've encountered a lot different books from bookstores that I failed and didn't find one, luckily I found this in . The book discussed about the significance of DIY Shampoo and Conditioner . Ingredients are easy to find and it's very accessible because of it are inside your home.

The best book so far in my regime because after my hair was suffering badly from the shampoo i buy in the store but this book is very amazing because it helps me to create natural shampoo and gladly my skin did not irritate and its easy to follow!

What an amazing book - it's an eye-opener. I never thought that homemade shampoo has that many benefits. Now I understand why I often have problems with dry scalp. I definitely will change my habits and start making my own toxin-free shampoo. This book is a really great guide towards making your own shampoo and it offers a great variety of shampoo recipes for beginners and advanced. I highly recommend this book.

I will tell you a secret, I am just pooing once a month because im so scared to get my hair loss because of the chemicals brought to me by shampoo and conditioner, this book is really helpful for my hygiene and instructions were easy to be understood.

These days all-most all the shampoo or conditioner have chemical which cause damage to the hair and eventually it cause baldness,damaged hair,white hair to protect the hair one need to use homemade or chemical free shampoo or conditioner.This guide has all the information about how one should made the shampoo or conditioner in home using the organic products .Through this guide one should learn the process of making the shampoo or conditioner,the bad effect of chemicals used in shampoo,Types of Homemade shampoo. I would recommend this book to anyone to take care the hair .

I wanted more information and recipes. I did find what was in the book useful and have used some of her recipes.

great information

An amazing book where you find out how you can make quality shampoo with quality ingredients.

I'm so excited about trying the natural recipes. This really worth my time and money.
