Arrived quickly and as expected.

Great method. The item I received was all ripped up.

Just what my daughter needed for band. Less than half price.

Awesome product! It will suit my daughter's needs for 7th grade Symphonic Band!

Great and my son loves it!

Hal Leonard's Essential Elements series newest edition replaces the EE 2000 series without rendering that obsolete. A good evolution in this method.

I highly recommend any of the Essential series book by Hal Leonard. They have been edited and updated throughout the years to be far superior to any other book I have come across for learning an instrument.

beautiful!
