Restaurant China : Identification & Value Guide For Restaurant, Airline, Ship & Railroad Dinnerware (Volume 2)

Synopsis

Volume 2 is organized alphabetically by manufacturer, with brief histories, product information, date codes, 950+ dated backstamps, nearly 900 color photographs with individual value ranges of ware predominantly used in restaurants, hotels, clubs, schools, and so forth with a sprinkling of the subjects offered in Volume 1, and more than 350 catalog pages. Coverage includes American as well as foreign china companies. The extensive appendix includes an additional 89 manufacturers and 146 distributors, along with capsule histories and dated logos of 114 hotel and 170 restaurant chains. Particularly useful is the lengthy index which contains a cross-reference to backstamps lacking the manufacturer's name. This book would be of value to any dealer or collector of porcelain or vitrified china dinnerware. Priced and illustrated. AUTHOR BIO: Barbara Conroy and her husband have collected restaurant china together for about 20 years. She spent more than six years in intense study for her two volumes on Restaurant China, and her careful research is evident in the two volumes. REVIEW: This 656-page book is arranged alphabetically by manufacturers. It is chock-full of useful information for collectors. Each manufacturer's section includes history, location and dates of production, date code information, examples of backstamps, and other production information as well as color photos of dinnerware and examples of product brochures, advertisements, and catalog pages.

Customer Reviews

Perfect companion to the first volume I already own. Condition was great, price very reasonable. Hours of interesting reading. Makes me hungry.

VERY HAPPY with this book. It's everything I expected.

Helpful and well organized book. It's not easy to find a lot of information about restaurant china online, and I like using a book for reference.

Was really pleased to find this book and at an excellent price. Delivery was quick, the product was "as described". Overall, I was satisfied with this transaction!

Item was as described, like new. I have come across many restaurant ware cups and plates and I can now reference where they came from and to look for more items for my collection

A great book. Arrived as planned. So much information.

GREAT ITEM! WILL BE BACK TO SHOP!

Barbara Conroy has done a wonderful job with her latest offering. I have been desperate to find information relating to Jackson China. Barbara's section is more than I have ever been able to find. I would recommend this book highly.
