Customer Reviews

Love the material the cover is made of. It's like a padded rubbery material that feels great and grips surfaces. Very slim design.

I received my bible the exact day it was supposed to arrive. They shipped it in one of those bubble wrap envelopes, and I received it in my mailbox. Although I expected it to come in a small box, it arrived in perfect condition. The color is exactly as it is pictured. Normally, photos can be deceiving, but that wasn't the case with this bible. It's my favorite color. The imitation leather is so supple! I love the feel of it. Also, the bible lies flat on the table, making it easier to read. The font size is nice, and the words of Christ are written in red. There's a cute green ribbon bookmark attached to the book, and there are colored maps in the back. The footnotes are amazing, and they correspond with the conversion table in the back. I'm a 16 year old girl, and I recommend this bible. The only small con to purchasing this bible is the fact that it is NIV. NIV isn't as accurate as KJV, but NIV is a great starter because it's so much easier to understand.

Bought this as a replacement for my daughter's bible she used in school. It was very sturdy and has held up well. It has inserted comments directed at Teens. Glad we made the purchase!

love it

My daughter loves her bible.

My 16 year old daughter picked it out and is reading it every night. She says she likes that it is leather bound and flexible.

Same exact color

This is a great Bible for a teen. The color is vibrant and fresh. It lays open nicely. My tween was excited to get this as she will be using it at camp this summer.
