Thank You, God, For Loving Me (Max Lucado's Little Hermie)

Synopsis

Little Hermie and the baby bug garden friends teach little ones about God's love for them. God loves all of His creatures. Little Hermie explores all of the ways God loves him and his friends in this sweet board book with glitter on the cover. With over 5.5 million books sold, the new Little Hermie books open the wonderful world of the Hermie & Friends garden to an entirely new audience.

Customer Reviews

With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

These books by Max Lucado are perfect for teaching little ones about God. The illustrations are adorable and the message so simple that your child will understand. I have several and they are the first ones that are brought to me for reading. Highly recommend. I almost forgot to mention that they are very reasonably priced and quite sturdy.

Very cute book. My toddler likes it. Just wish it was a little longer.

I got this for our son-on-the-way, and love everything about it. It's a beautiful prayer, and one my 2 year old daughter enjoys reading with me. Really a lovely book!

Max does it again. He is simply solid when it comes to helping people see God more clearly. this little book is a must for your Grandchild's book shelf

Good story but when I received it and went to read it to my son for the first time there were 2 pages that were stuck together and as I tried to pull them apart the pages ripped. Could have been just a defect with this book.

This is a very sweet, simple story about God loving even the tiniest of creatures. Love reading it to my four month old grandson.

Not long enough to have to pay money for it. Or it should be combined with another of these stories (for Blessing me, e.g.) and then it would get more stars.

Christmas gift for my neices! My youngest loved this one since she could look at the bright pictures and gnaw on it! :)
