The numbers are smaller than those that were on the 2016 calendar. There is black smudging on the white calendar pages. The smudging is on every page and I'm not sure if the smudging is intentional or a defect. 2017 Chalk It Up Wall Calendar

Terrible ink on actual calendar grid.

I got this calendar for my teenage daughter. It has positive quotes, written in a fun chalkboard style. She loves it.

Just as described. Arrived in perfect condition. Love it. Thank you!

love it and all the positive sayings

I love love love this calender!

Love this calendar. Regarding the 'black smudging' on the pages with the dates that others mentioned, it's supposed to be that one. I'm very happy with my calendar tho I do prefer the solid white date blocks without the smudging like last year calendar.

This calendar is not a nice material the pages feel like construction paper and are not laminated. The pages have a gray shading all over I don't know if it's intended or I got a faulty one. Won't be buying again.
