Celebrating Abundance

Synopsis

To prepare for Christmas in our society is to be sucked into a vortex of indulgence, from decor to gifts to calorie-rich foods. Layer upon layer of tinsel, lights, and wrapping paper create the illusion of abundance, disguising the feeling of emptiness in our souls. The arrival of the Messiah, by contrast, is true abundance disguised by the impression of scarcity. Training our eyes to see through the rough stable, the adolescent mother, and the anxious escape to Egypt, we can see in that poverty and powerlessness the wonder of God's abundant life and grace coming down to dwell among us. This powerful devotional by best-selling author Walter Brueggemann includes daily reflections on the Scriptures and stories of Advent in order to invite us to see beyond the world's faux extravagance and realize the true feast laid out before us. Twelve prayers are also included for the twelve days of Christmas.

Book Information

Paperback: 90 pages

Publisher: Presbyterian Publishing (September 10, 2017)

Language: English

ISBN-10: 0664262279
