Customer Reviews

"A perfect first birthday gift for that special someone in your life. Sturdily constructed to stand up to little hands, with cute rhymes and fun illustrations. Sure to be loved by any baby (and their parents)." â Kim Hampton

"Very, very cute board book. The illustrations were very nice and quite a few of them reminded me of my own kids at that one-derful age. It will make a great gift for a first birthday and a great read-out-loud book for little ones. I enjoyed the rhymes and the way the book flowed. Just precious." â Rachel (on Goodreads)

I bought this book because it appears to be a series, available now is you are here, you are one and you are two. I love the simple but sweet message in these and hope the series continues.

Nice sturdy book for a little one to enjoy reading many times!

I bought this book for my son's first birthday. It is so cute! We passed it around at his birthday party and had all family and guests sign the first page.

This is a really cute book. It hits all of the one year old milestones.

Will buy another on his 2nd birthday!

Very cute book for a First birthday!!! So cute and high quality.

Granddaughter loved this.

I bought this for a gift for my granddaughter and I hope she likes it as much as I do. It's adorable
