Customer Reviews

My kids absolutely love this game and it passes the time by quickly. I have a 4, 6, 8 and a 14 yr old. When they are bored, they pull this game out and can play for hours. I like the fact that the cards are large, it makes it less likely for them to bend or tear them easily like they do with smaller or regular size cards. I even have fun when I play this with them! This is by far their favorite game, probably because they can slap the cards. They have even re-invented the rules and created their own.

Fun game! High quality cards. This is really an ageless game and this set of cards is even better because there are "Jack" look a likes that make it all the more challenging and entertaining for the kiddos.

I have twin 7 year old granddaughters who love to play card games. They enjoy this game very much. I like that it has Zack and Mack to confuse you. We laugh a lot when we play this game.

Well... I like using a regular pack of cards better, where you clap for the king, whistle for the queen and slap the jack.

10 year olds laughed a lot slapping mack and zack! so much fun so worth it.

A fun game that my grandson and I like to play. Cute pictures and numbers on each card. Jack, Mack and Zack are the three names on the cards. An easy way to occupy the time with a young child. They love to slap the Jack.

The kids love their game.

Great card game
