Customer Reviews

It was really good for a short book. I wish they were longer books though. That would be nice. It was pretty good though.

Love this Can't wait until I can continue reading I would give this manga a five star rating it is amazing.

Kinda short, but worth it. The artwork isn't too bad to look at and the story line is interesting. I wonder what's gonna happen next.

So far this is adorable, it is downright delightful to see the first love interest is of the K-9 variety! Can't wait to read the next manga.

I love reading this Manga. I have the whole series. It was a great read one that I will reread over and over. It was great. I hated that it ended

This book is really good and I like it. And I hope to read more of this article . Thank you

Good read, very interesting. I like the pace and well placed dynamics. I can't wait for the second book to come out.

I liked it allot it left off as a cliffhanger and just a little smutty but not to much !! Overall good story
