Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Just as the title say's "Worlds best guitar songbook" I am so totally happy with this book. I bought it for only one song Romanza. But it has so many other wonderful songs! I got it for almost free! is the best. I can know what they have and do not burn one ounce of expensive gas to shop. enjoy

The "World's Best Guitar Songbook" has some transcriptions that are accurate, but the easy guitar tablature is not a good idea. From a teaching standpoint, I feel that it makes it harder to learn a song

when the transcription lacks the complete melody and nuances that make the song desirable to learn in the first place.
