# EMS Workforce For The 21st Century: A National Assessment (Public Health In The 21st Century)

## Synopsis

Emergency medical technicians (EMTs) and paramedics are a critical component of any community's Emergency Medical Services (EMS) system. This book reviews research which is meant to provide guidance to the national EMS community in ensuring a viable EMS workforce for the future.

## Customer Reviews

As one of the contributors to this publication, I am alerting all who are tempted to buy this completely free U.S. government document that it is available for free from several sources. Search the web for the title and you will find a downloadable PDF.

This "book" is an exact copy of a reported published by the National Highway Traffic Safety Administration in 2008 (Office of Emergency Medical Services). If you do a web search on the title you will find free pdf versions to download.
