Make Him Fall For You: Tools For Love By Rori Raye

Synopsis

Make Him Fall For You will give you the Rori Raye Tools For Love you need to instantly change your love life (yes - that fast) - no matter how frustrated and unhappy you may be feeling right now. If you're already receiving my free newsletters from www.HaveTheRelationshipYouWant.com (if not - go get them now...!) - you may have read one - or perhaps even all - of the 16 Relationship Tools of the Week I've included in Make Him Fall For You. These 16 Tools are not only some of my favorites - they have a common theme: that Being is the way to get the love, romance and life-long commitment you want, instead of the Doing that we women have all been taught to rely on to get what we want. In love, it's our receiving, our feeling, our expressing, our just being that inspires and creates the powerful attraction we all truly hold for a man just because we're women. And we've all been taught to go against these most amazing of our powers - the depth of our emotions. Make Him Fall For You will shift your "vibe" from what feels to a man like the coldness of being in your head - to the warmth, passion, and intense, irresistible magnetism of being in your heart...and that's the fastest way to connect to HIS heart. He can feel this shift immediately, and - almost shockingly - will instinctively and concretely move closer to you. We are truly feminine energy "Sirens," and it's the intense, feminine energy we create with our feelings that will compel a man - perhaps YOUR man - to feel so intensely attracted to you he'll give up anything and everything - including his "freedom" - to be with you...forever. Make Him Fall For You will help you love yourself, sink into yourself, express yourself and draw a man to you - even the one you may be with right now. Relationships can turn around on a dime. I've seen it happen over and over...and it can happen for you, just the way it did for me. Be sure to let me know how Make Him Fall For You helps you... Love, Rori

This book could be smaller if she didn't go on and on about her experiences. I just wish she would of got to the point. I read half of the book and knew nothing new. Finally at 3/4 of the book gave up.

For Me the Ebook above didn't go quite far enough. This is a good edition that puts the information from her newsletters and the ebook in a compact way. It would have less value to you if you don't have the Ebook. It gives examples, some of which can be annoying, but its meant to give you the 'tools' that you might be able to use. I found much of it very helpful, but you have to be committed and not give up without a really good try, like months, not days. A lot of psychology, but then so is much of life.

Don't waste your money! Basically this just says have good self esteem. And she suggests you do that by pretending you're a pearl.

The book arrived earlier than expected. I had read a few reviews and had a hard time finding a copy in stores. The author of this book does a great job explaining the way men think. As a strong, independent woman, I was looking for more in my relationships. I only gave it 4-stars because I expected the book to go a little bit more in depth when it came to each subject. It's a good read.

Not sure this is worth the \$\$ as you can get most of this info online for free with Rori Raye's email newsletters. It's a 138 page paperback with probably size 16 font so the \$20+ price tag is a little steep in my opinion.

Rori is the master of relationships! If you follow her advice you will find the Love you need!

I really enjoyed reading the book. Rori gives a lot of tools, but I think it would be hard to use them all at once. However, you can use 2-3 tools at once easily... Rori has an unusual approach to the topic of love and her own unique style of writing/explaining things which I appreciated. Hopefully, her tools will help me find love!

Basic information and seems to refer to another book for more information. A waste of money.
