The Undying Illusionist: Age Of Magic - A Kurtherian Gambit Series (Tales Of The Feisty Druid Book 2)

Synopsis

Remnant invaders. Evil druids. A murderer on the loose. Good thing Arcadia has found a new ally. With Doyle's grim warning to Amelia before he was killed, the Chancellor is struggling to find clues to who the wolf in their blossoming city could be. But Arryn has already found her. The problem is proving it. Student after student has gone missing, and the remnant have been invading the Valley, ripping it apart one village at a time—but Arryn knows more will come and something has to be done. After getting help from an unlikely source, Arryn finds the proof she needs—but her problems have only just begun. Talia's compatriot, a dark mystic named Scarlett, has quite a game planned for Arryn, and she may have to abandon the city she loves in order to save it. Set on the foundation laid by the Kurtherian Gambit Series, The Arcadian Druid tells an entirely new story in the Age of Magic--and of the heroes and villains who battle for control of its destiny.

Customer Reviews

But first the review! Candy and Michael and the age of magic. What's not to love? Stories revolving around a Universe, Kurtherian, at different time frames by different authors where at a certain point it's going to all come together! How can you NOT love it!?!? It's like working a puzzle that is starting to come together. Well, at least you have the edge pieces done. Arryn is an Arcadian Druid. Most Arcadians aren't Druid but you'll have to read the prior books to find out how this happened. The city of Arcadia is under attack from within after just starting to come back after the deadly battle with Adrien. Arryn has a pretty good idea who the culprit is but not many believe her. Funny kid story....My daughter had the chicken pox. We are sitting on the couch together and she is cuddling with me. I'm moving her hand each time she tries to scratch. She was miserable and asked how this befell her. I told her it just happens. She looked at me with her big blue eyes and said," But mommy! I haven't been around no chickens!" Just love how the baby mind works.

I'm sorry, but this installment is a bit frustrating and boring at times. Frustrating in that magical people keep losing fist fights with a loaded pistol in their hands (metaphorically speaking), and boring in that the story spends too much time laying out the threat and not getting around to taking it out. The writing was fine; the characters grow in complexity; but the plot was plodding at times. There is suspense and tension, and it does get exciting at times so I liked it but not getting around to it makes me feel Book 2 is just okay. Despite listing this as Book 2 of 2 in Tales of the Feisty Druid (2 Book Series), I HOPE NOT because Book 2 does not end.

Even at the best of times it's kinda difficult to ascertain the loyalties of personages until a very life changing decision is made. Woe is you, if it wasn't you. Tannya has Talia to thank. When Tannya survives her deep north snow & returns. She'll give back a emotion charged whammer jammer of gratitude with interest. Talia & her gang shouldn't have dumped her naked & alive. Payback is a beetch.

A lot of dark things happening in this one. Is her father dead or alive. Who will prevail in the end. Not giving it away you will have to read to find out. Waiting for the next one hint, hint!!

Fantastic writing and amazing story. Can't wait to get my hands on the next one.

Another good book. Maybe she will get a familiar out there to help her.

I love reading this type of book

A good story by a mediocre writer.
