## Synopsis

One of the most influential books of the 20th century Beyond Good and Evil is Nietzsche's provocative and thought-provoking work of philosophy questioning centuries of western tradition, thought and morality. Building on Nietzsche's, Thus Spoke Zarathustra, Beyond Good and Evil is a critical response to religion and other systems of moral conventions. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This ebook also contains a bonus book club leadership guide and discussion questions. ## Customer Reviews

Very difficult to read. I couldn't finish it. For specialists only.

beyond me

In reaching towards freedom of thought, freedom of spirit (philosophical good faith), I'm challenged by the moral and ethical implications. I don't know if I can accept the answers here.
