Jakarta Undercover II

Synopsis

After the enormous success of Jakarta Undercover, Moammar Emka is back with more on the seedy nightlife and underground sex services of modern, hip Jakarta. Delving deep into the city's karaoke clubs, massage parlours and transit hotels, the author takes it upon himself to experience first-hand the tasty delights on offer and what exactly they involve. What is a cat-bath massage? Who are the Mickey Mouse girls? How much does an all-night gigolo really cost? How popular is the after-lunch hand-roll service? From swingers parties to midnight lesbian packages, Jakarta seems to have it all when it comes to sexual services. And if you thought the first book was explosive, Jakarta Undercover II will leave your imagination running wild. Indonesia's bestselling series—over half a million copies sold!

Customer Reviews

Before you read/buy this book, keep in mind that it is translated from Indonesian. This might be a real drawback while you are reading the book. I am an Indonesian and I understood the dialogues perfectly, but it is translated literally from Indonesian to English, and if you are not fluent in Indonesian, you might not get the jokes, and the narratives, especially the dialogues, can be

awkward. Also, if you are not familiar with the environment in Indonesia, specifically Jakarta, you might have hard time imagining the locations. I am not a frequent visitor to Jakarta and I had some troubles imagining what the author is describing. About the content, this book is mainly being descriptive without giving too much informations. If you want to visit the real places you'll have to take a person familiar with the lifestyle. Since I have no preliminary idea of this kind of services at all (that's why I read the book in the first place) and I don't really care, I can't tell you how accurate or mind-shattering it is. However, if you are just being curious as to what 'services' you can get in Jakarta, you can still read it to satisfy your curiosity. Also, don't expect it to be a porn/sex book. It is a book about sex industry, not for sex.
