The Nectar Of Govinda-lila

Synopsis

Out of the seven hundred verses of the Bhagavad-gītā, Verse 18.65 captures the essence of the entire Gītā: "Absorb your mind and heart in Me, become My devotee, worship Me, offer your prajñā to Me, and then certainly you will come to Me. I make this promise to you because you are very dear to Me." The first three chapters of The Nectar of Govinda-līlā explain the three elements of this verse in relation to our aim to enter Goloka Vāṇdvana. Other chapters contain a colourful description, infused with pure Gauṇīyāsiddhānta, of Vasanta-pañcamī, the first day of Spring, and other such nectar.
