Customer Reviews

I am a big fan of the Blue Guide series, I wouldn't want to go to Europe without one. However, this is one I left at home. The author takes you on a road trip around the Loire Valley and comments on every village he passes through even though most have absolutely nothing in them. The major chateaux are given quite a bit of space, especially their architecture but not much on the historical context. The entire book was very dry. I do not buy the Blue Guides for their advice on how to get around, but I certainly expected something better than this.

La tradition d'AfÃ©rudition un peu austÃƒÃ"re des Guides Bleus Hachette est mise ÃƒÃ" mal dans cette ÃƒÃ©dition honnÃƒÆ'Ã Äte mais sans plus. Le voyageur visitant pour la premiÃƒÃ"re fois notre rÃƒÃ©gion trouvera le nÃƒÃ©cessaire, pas le superflu ni ce supplÃƒÃ©ment d'AfÃÆ'Ã Ä¢me qui faisait des Guides Bleus une rÃƒÃ©fÃƒÃ©rence absolue.

You will prefer Eyewitness Loire Valley guide book. Dorling Kindersley; ISBN: 0789404265 because

of its pictures and detailed visual explanations.
