Customer Reviews

Explore the world through accurate and up-to-date mapping.

I love it! This was a great help in Edinburgh. Did not take up too much space, and gives a clear map of the city. So glad I bought it!!

Not what I was hoping it would be. The large one I got has more info than this one.

I cut it down as we just needed the most central area of the city.

Walks and famous routes of historical importance are not shown.
