How Do Dinosaurs Clean Their Room?

Synopsis

The bestselling, award-winning team of Yolen and Teague present their second original dinosaur board book, a playful "how-to" tale about making a mess and then cleaning it up. Come along for some BIG fun as your favorite dinosaurs learn to pick up and put away their toys. How do dinosaurs clean their rooms? With trash cans and dusters and brooms! Now Jane Yolen's playful, read-aloud text and Mark Teague's hilarious illustrations show your own little dinosaurs just how fun and easy it can be. Brimming with the same infectious humor as the other HOW DO DINOSAURS tales, this new board book is a perfect companion to the immensely popular picture books and a great baby gift as well.

Great for kids. We love this series! Also, it's a small book so it fits in little backpacks well!

This book is awesome. It times nicely and my 17 month old loves hearing this over and over.

Great book with a message. Seriously, how can one go wrong with a dinosaur.

Cute stories for your dinosaur lover with great creative illustrations

3 yr old grandson is in love with all the "How Do" and "What Do" Dinosaur books.

Hoping the Dino can encourage my nephew to help keep his room clean. He likes this book.

Very cute! My 2 year old son loves this book, cute rhymes and great message about his beloved dinosaurs cleaning their rooms! Book is a nice size and sturdy, standard board book. Good length, good message...not sure why the dinosaurs have human parents but whatever! :) I'm going to look into the other books this author has, we definitely recommend this one.

It went with the dinosaurs theme this week and helped encourage and remind the children to cleanup what they messed up.
