Great book

I love New York and have many relatives that live there. The book was informative and the photos clearly showed how NYC has changed since the 19th century to the present. Beautifully photographed as well. Very nice coffee table book.

Nice book. If you are a fan of New York, past and present, this is a nice addition to your library. Fast delivery. Thank you.

My NYC hubby LOVES this book. I picked it up on prime day. It is reasonably priced and great quality.
