Customer Reviews

• A search-and-destroy mission against architectural pretensions . . . a funny book. • New York • Full of insight . . . marvelously right. • People • Wolfe's delightfully witty, biting history of modern architecture is a scintillating high comedy of big money, manners, and massive manipulation of public taste. • Publishers Weekly • No wonder . . . this book is the hottest topic in Manhattan's architectural salons. • The New York Times Book Review • Tom Wolfe has squeezed a funny tale out of glass and stone. . . hilarious. • The Wall Street Journal • Sharp serpent's-tooth wit, useful cultural insight, and snazzy zip! pop! writing. • Playboy

Text: English, Spanish (translation) --This text refers to an alternate Paperback edition.

I studied Architecture in the early 60's when the theories described here were in "full bloom". It has taken us a long time to get past stoicism in architecture. As always Tom Wolfe's is funny and entertaining when he delivers his observations on life. Thank you Tom!

Amazing story. A story of professorial self appointed European transplanted Architects with a bunch of collegiate lemmings as followers. The emperors who wore no clothes is borne out here. Not the

kind of architects I've had the pleasure of working with over the decades. Love em

Witty, funny, informative. Tom Wolfe is always entertaining, whether it be fiction or non-fiction. Well written, concise and brilliant. Buy it.

A clever and witty short book, but I hoped it would be more of the hilarious trashing of the art industry that Wolfe included in his recent Florida novel.

thanks

The snarky style of Tom Wolfe' style of writing does not change the truth of what he observes. A thought provoking history of modern architecture.

Tom Wolfe must have had a lot of fun writing this rather scathing review of the Bauhaus school of architecture. It is a fun read, and one can almost hear the author giggling in the background.

Priceless stuff. And when I got my first copy of Architectural Digest after reading it, more peals of laughter.
