Diary Of A Spider Chicken, Book 1: An Unofficial Minecraft Diary (Minecraft Spider Chicken)

Synopsis

Spider Chicken dominates, but what is he? A spider chicken should not exist in Minecraft. I mean, just saying the words "spider chicken" sounds wrong. But, because of a mad scientist villager intent on creating chimera mobs, he does exist. Read this first book in the Diary of a Spider Chicken series to find out how the spider chicken came to be and what he plans to do about it.

Customer Reviews

Dr Block has done it again! This book has cool new mobs and it's funny too. It also has great action. I can't wait for the next book to see what Martin does.

Love all the Dr Block books. Am always excited to get my hands on the next one when another comes out.

Another fun book from Dr Block.

And I want to be in the next book! And the spider chicken finds me (can I be a baby zombie?) And I run away from him he chases me and tackles me!?

This book was amazing! The only wierd thing is that the witch is helping and the villager is evil. I've only heard of that reversed. Anyway, i loved it! thanks for the awesome book! Keep making great books.
