This bag will work just fine for what I wanted it for. I read many reviews before purchasing and I'd like to clarify things I still had questions/concerns about. This is not an "extra large" bag. But the dimensions don't lie. It is what they say they are. I don't have an extra large bible that I needed to fit in it, and my standard size bible fits perfectly. Because I don't have an extra large bible and because I'm not using this case as a jacket cover for my bible, (I wanted more of a carrying case) I can use the flaps as pockets for my notebooks and devotion book, as well as tucking my bible in the other side. There are 2 holders to keep pens as well. I even through my small clip board in there which I keep all of my church's weekly bulletins. Zipped it all up and have everything I need for church or bible study all in one case. Exactly what I was looking for. I didn't give 5 stars because I do find the quality of the case to be a little "plastic" like, but not enough to return it or not use it. (And..it was

really inexpensive) and I also think the design of the zipper is poor and it's hard to get started when you're ready to close. All things considered, I would definitely recommend this item to keep you organized and ready for your study!

Bought this case as a gift for my mom, she loves it!!! The color is very nice beautiful deep dark red wine looking excellent material and craftsmanship. I wish they made this color with out the purse handles because I would buy one for my Bible.

I do appreciate the warm rich color and texture of this bible cover. I expect the quality workmanship will hold up for a number of years to comes. Perhaps the only thing missing is an outside pocket on either side that would make it easier to slide in notes, etc. rather than opening up the entire case when on the run. Definety worth the cost.

I haven't given much value to Bible covers before coming across this one at .com. I absolutely love this and since I walk with a cane the handles come in very handy. I just purchased a 2nd one for my Momma for Christmas. Thanks .com for making my Christmas shopping easier!!!

Purchased for my Bible

It was a gift along with The Bible and I received many many thank you's and complements. The leather was beautiful!!

A very nice Bible Case that I used to replace another one that was damaged.

Very nice cover. The price was right. I love the casing and interior.
