Nice easy to read and to play Christmas hymn music. I have all the different books for quick use of multi-instruments. I wish they included some string instruments too.

This book got a good bit of use at our house this year with a fifth and sixth grader both playing Bb instruments. At their level they mostly played unison on the song they were both able to figure out. I expect to see this book for years to come.

We ordered this book for a beginning band member in our family. We weren't sure exactly HOW

easy these duets were but decided to give it a try. I'm writing this review so potential buyers will have a clearer idea of what this book is like. Here is the table of contents: Angels We Have Heard on High Away in a Manger Deck the Halls The First Noel God Rest Ye, Merry Gentlemen Hark! The Herald Angels Sing It Came Upon a Midnight Clear Jolly Old St. Nicholas Joy to the World O Holy Night O Little Town of Bethlehem Silent Night We Three Kings of Orient Are We Wish You a Merry Christmas What Child is This? So - how easy are these duets? The range is from middle C to the E in the top space of the staff. Many pieces have multiple eighth notes in runs. This can make them fairly difficult, range and speed-wise for a beginning band student, although there are two or three that will probably work. I'm guessing after a full year of band under a child's belt, he/she could probably manage most of these (perhaps at a slower speed.) I wish there were a few more selections with at least one of the parts written in a narrower range, which would make more songs accessible to beginning students sooner.

Nice and easy pieces to play with the beginning players.
