Customer Reviews

The title is misleading, and the contents limited in the extreme. -just a handful of pictures. They may well be photographs, surely are old - but erotic, hardly!

Plenty of beautiful vintage girls in mostly conservative poses, and the format is really weird. On each page you get a large pic and two smaller ones of the same chick, but sometimes the smaller pics block the best part of the larger one. Whoever edited this screwed up. There are many better

vintage erotica books available for less money.

Good pictorial retro.

As described.
