The Juvenile Justice System: Delinquency, Processing, And The Law (7th Edition)

Synopsis

A market-leader, *The Juvenile Justice System*, 7e, follows a true-to-life focus, capturing the essence of what it means to be part of the juvenile justice system through personality highlights, career snapshots, and personal accounts. The text provides a thorough examination of the juvenile justice system through easy-to-understand descriptions and discussions of policy, practice, and procedure in juvenile justice. It covers the entire process from arrest, intake, and adjudicatory hearings, to dispositions, and aftercare. This includes up-to-date, comprehensive coverage of historical, applied, theoretical, and legal information about the juvenile justice system and juvenile delinquency.

DEAN J. CHAMPION is Professor and Chair of the Department of Criminal Justice at Minot State University and the author of five previous books including *Felony Probation* (Praeger, 1988).

As with most text books, politically skewed as if the author's views are solid fact. Some of the information may be generally correct, but not accurate to how things actually work.

School book, exactly the book that was required and purchase price was the lowest.

Not the worst text in the world. Very informative and was good for the class I took- only downside is that the chapters are long and there is not much breaking up the text

Better than buying, just wish teacher actually had us use book.

LOVE THIS BOOK

Great book easy to follow.

While the book is just what I need for my class,I did have an issue with the binding but it was taken care of immediately.Thank you so much!!

Just what I needed.
