Chicago Tribune Sunday Crossword Omnibus (The Chicago Tribune)

Synopsis

You hold in your hand the first omnibus edition of Sunday-size crossword puzzles from the Chicago Tribune, edited by Wayne Robert Williams. These 250 crosswords capture the flavor of Chicago perfectly—some are contemporary, some are traditional, and most fall somewhere in the middle. The puzzles are written by constructors all over the country, from California, Illinois, Massachusetts, and all points in between. In other words, they are as wonderfully diverse as Chicago itself!

Customer Reviews

Puzzle editor Wayne Robert Williams has been creating and editing puzzles, puzzle books, and puzzle magazines for over 30 years. The Chicago Tribune has been showcasing the results of his expertise since 1997.

I like these large puzzles because the NYT Sunday puzzles are too hard for me. Also, I prefer an omnibus because it has a lot of puzzles contained in its pages. I use a box knife to these books and cut off the binding. This frees up all the pages, and I put individual puzzles on a clipboard in order to solve them. This works very well and I have used it on other crossword puzzle books from other sources.

LOVE THESE CROSSWORD PUZZLES! They are sometimes easy and sometimes difficult but always fun and challenging! Each puzzle has a specific theme which makes them even more fun!

I am enjoying these crosswords. It was easy to order and delivery time was great. I didn't have to leave the house. The purchase was so easy. I only wish there was a larger print issue.

This is one of my favorite crossword books. I am a fair to middlin' crossword solver. I use a pencil because I know I will have to erase something. I also cheat and look in my crossword dictionary. Some of these puzzles are groaners, some you will get the title clue only after you have finished it and a few are easy enough for me to do all on my own. I have tried other books but I always come back to this one as I have worked the Trib puzzles long enough to "get" them. Updated 03/02/14: Still find this to be my favorite crossword book but I bought a copy for a friend who uses pen. The paper used in this printing is far inferior to the paper used in the 1st one I owned and my friend must use pencil so it doesn't bleed through to the other side.

Fun for hours

I've been working on this for about a month. Tons of crosswords -- my only complaint is that quite a few are too easy. I also don't like the paper.

This collection of Sunday crosswords from the Chicago Tribune is a treasure of challenging, interesting, and informative puzzles to solve.

I like medium hard crosswords. This collection tends to be more on the hard side
