Shipped quickly. My 7 year old son loves these and he will sit down and read one cover to cover in one sitting. Anything that gets him reading without complaint gets my endorsement. I'll be buying more soon.

good product

It was pretty good but the little Boy is the worst dancer ever

I love this book because it is so funny like when Mate was dancing in the disco contest that was funny

This is a good book for little comic book lovers. My eight year old son asked me for this and he didn't put it down until he finished it. He is on his third time reading it through now. He loves the pictures and the characters. This is a good value for a hardcover book
