Fully Booked: The Hair Stylist's Guide To Building A Client Attraction System That Works!

Synopsis

Fully Booked reveals a comprehensive plan for building a system to attract a steady stream of high quality clients. Instead of chasing clients like most stylists do, use this system to bring them right to your doorstep! Not only will you discover how to attract more clients, but you'll also discover how to attract the best clients. These clients are willing to pay above average fees and are "pre-sold" on the idea that you are the best stylist for them. If you've never experienced being in a position where clients want to work with you and only you, then hold on because you're in for quite a ride! With the secrets you'll discover inside Fully Booked, you'll finally know what most stylists will never know about attracting clients. Most stylists leave their future completely up to chance. While they wait for clients to appear, you can focus on building the system that will help make sure you get great clients. This approach to client attraction is something that is unknown in this industry, which means you will have access to a proven client attraction plan while most of your competition will not.

Customer Reviews

This book is amazing. Definitely a game changer. Not only for your business but for life as a whole. You never know the missing piece until someone reveals it to you and that is exactly what the content in this book has done. Now I'm am going to change the game, MY GAME.

Your book draws attention. I really liked how inspiring it was, you have such amazing tips. I am writing everything down. Totally getting the next book, Million Dollar Stylist .

I brought this book for my kindle. This book is amazing. I would recommend for all to read.

Great for stylists! Can't wait to begin the process and implement. Helps give more perspective about being a stylist and new ideas.

Engaging read, helpful systems , and advice for the stylist that is unheard of! Valuable ... thank you Marquette B!

I really enjoyed this quick powerful read. I recommend all stylist read this book. She was very clear and it the point. U can't wait to put what I have learned into action.

Excellent read for stylist!

This book was very informative and I can not WAIT to start my journey on to success!!! Please do read!!!
