Every recipe I've tried had been straight up easy and delicious

Great service! Great recipes!

I was surprised by the size of it; so many options. Great book even for day to day recipes.

There are some recipes that appear elsewhere in the years since JO produced his first book, but the book doesn't disappoint. Would definitely recommend for anytime of the year.

Book has lots of easy to understand directions and the variety of topics is impressive. However it is overpriced, you need to really like Jamie Oliver to purchase this one.

Very fine

It was an Xmas gift for my wife...and she loves it! Mind you, it's hard not to love an English cook!
